**Traffic Flow**

Students will be released to waiting areas by grade level, beginning with Pre-K and moving up.

Form the car pick up line as it formed in the past.

If you get to the canopy and your older student has not made it to the waiting area yet, you will be directed to circle back through to park.

Please note that only the rear spaces on a row are open for parking.

Once your older student has arrived, someone will walk the student to the vehicle.

For the safety of our students, when you park, please pull forward to exit.

**Walking Students:** Tiffany Hyatt, Stormie Herrington
